When Buying Fuel

The consumer must always figure on the actual amount of heat and comfort that is got for the money spent.

We believe that our connections of long standing, coupled with the large amount of fuel that we buy, make it possible for us to sell the very highest grades of Coal and Wood at prices that are cheapest to the consumer. A trial order of our Coal and Wood, or an opinion from some of our satisfied customers, will prove that our idea of putting quality first is correct.

FRIDAY EVENING, DEC. 2

THE "CORPSE" CAME TO LIFE.

Ten minutes after physicians had pronounced him dead and an undertaker was waiting to take charge of his body, the supposed corpse of a Burlington, N. J., township farmer, named Buzby, suddenly broke up an argument as to which coroner should sit upon his sudden and mysterious demise and gave a crowd in the Hotel Metropolitan the scare of their lives, Tuesday night.

A brother found Buzby lying face downward and apparently lifeless in a hotel room. He summoned Dr. J. B. Cassidy and other physicians. Buzby responded to none of the remedies and was given up for dead and Undertaker W. W. Slack was summoned to remove his body to the morgue.

Upon the arrival of the undertaker there was difference of opinion whether Coroner Bischoff or Coroner-elect Leconey should be notified.

The discussion was warm, and at its height the "corpse" moved, threw the blanket covering from his face and sat up on the stretcher.

"Why, Bill, where am I? What's the matter?" he exclaimed as the terror-stricken crowd fell back. Then he again relaxed, but surprised physicians were able to revive him and he is expected to recover.

Doctors say Buzby's case is one of the strangest on record. They say the farmer was in absolute coma, caused by a peculiar kidney trouble, at least 10 minutes, with a total cessation of respiration and pulsation. Even the extremities of the body had begun to cool when powerful drugs at first apparently ineffectual dragged him back from death.

WANT TO LIVE WITH COWBOYS

Two young women in Newark, N. J., are pining for a home in the west with cowboys as their life companions. The following letter has been received by the postmaster at Lincoln, Neb.

To whom it may concern: Dear Friends: We are two young girls who would like to correspond with two nice young cowboys. As we have been longing to go out west we could find no other way than this. If you, Mr. Postmaster, will kindly give our names and addresses to two nice young cowboys, we will send you a beautiful souvenir of our home town, LINCOLN, NEB. KATHERINE GRUBER.

While repairing a broken steam pipe at the light plant of Mahanoy City, Pa., today, Claude Blaine, an electrician, was killed when the pipe exploded. His body was blown twenty feet.

FIGHT WITH MANIAC.

Lying on his back in a corridor of the Punksutawney, Pa. Hospital yesterday, Dr. C. J. Montgomery, a resident physician, battled for his life with an insane patient; Mike Markuse, who died two hours afterward from what hospital authorities said was Bright's disease.

Doctor Montgomery was summoned to the ward by cries of a nurse who said she had been attacked by the man when she gave medicine. The doctor hastened to quiet him, but was himself attacked. An orderly hurried to his assistance, but was knocked down with one blow.

Markuse was choking Doctor Montgomery to death when Superintendent J. E. Grub arrived. For fifteen minutes the struggle continued before Markuse was strangled in his bed. His death quickly followed.
